Subject: Reporting by Partners and Partnerships

Individuals owning a 50 percent or greater interest in a partnership must cumulate their personal contributions with those of the partnership for purposes of determining whether major donor statements must be filed. One Form 461 should be filed containing the names of the partnership and the partner(s). The statement should also indicate which payments were made by each contributor.

Partners owning less than 50 percent of a partnership will cumulate their contributions with those of the partnership only if they are acting as a "combination of persons" which is attempting to influence the voters for or against the nomination or election of a candidate or the passage or defeat of a measure.
